

# Hey Wave Parents!

Our team is in need of parents who are interested in becoming certified YMCA Swim Officials. Certified officials are required whenever we host a meet in our pool. Officiating can be a great way to become more involved in our team and to learn the finer points of competitive swimming.

WHAT: YMCA Swimming Officials Training Clinic

WHEN: Sunday, October 7, 2007 9:00am-2:00pm

WHERE: La Crosse YMCA Room 208

WHO: Any parent interested in becoming a certified YMCA swimming official or needing to recertify as a YMCA official. No prior experience needed.

Our team will pay the cost (\$35.00) of the training. There will be an excellent opportunity to shadow our outstanding officials on Sunday, October 28, during our high school boys invite. Details will be available at the clinic.

***These clinics are not offered very often. If you are at all interested, please fill out and return the form below or call Coach Jon 782-9622 Extension 223 for more information. E-mail Jon at [thewave@laxymca.org](mailto:thewave@laxymca.org)***
